

# Final FRCA Practice Course

## North West School of Anaesthesia

### About

This course is specifically focused on the Final FRCA exam, and complements the SAVEd programme and the MFT Final FRCA course. It comprises:

#### For the Final FRCA written:

- An introductory morning, outlining revision and written exam strategies
- A two-month correspondence CRQ course
- RCoA-style MCQ papers to go through at home
- Two face-to-face study days, covering mock-CRQ papers and mock- and interactive-SBAs

#### For the Final FRCA SOE:

- A morning dedicated to anatomy for the viva with an introduction to the viva in the afternoon,
- Two face-to-face viva practice days

The emphasis of the course is on exam technique as well as knowledge, and the format has been fine-tuned over the years.

The course is free for ST trainees in the North West school, on the understanding that you contribute to the question bank, and help mark the correspondence course once the Final FRCA hurdle has been cleared. NW SAS doctors – there may be space for you on the course – please email to enquire.
